

Triplet Galop Quadrille

(music: Schomberg Galop)

CHORUS

All four couples chassez diagonally right, balance in, balance out.
Repeat three times until back home.

PART I — Diagonal Zings

Head couples chassez diagonally all around the set, "zinging" off the side couples.
Side couples then do the same to the head couples. (revenge!)

CHORUS

PART II — Promenade/Polka

Head couples promenade across to opposite side, men passing left shoulders;
then (in waltz position) polka back home. Side couples then do the same.

CHORUS

PART III — Drawers

Head couples charge past each other (in closed promenade position) to opposite side, then back home. First the #1 (top) couple stays together while the #2 (bottom) couple separates right before impact; then they reverse roles. Side couples do the same, with couple #3 staying together first.

CHORUS
